For 4 Sundays in June, our worship services are focused on the theme of "Migration Stories." Humankind, nature, creatures of all kinds see and experience movement and migration, both life-giving and detrimental, throughout the biblical journey and on our current course through life. In these weeks we will reflect on various forms our migratory lives take and acknowledge God's presence in them.

Charleswood Mennonite Church Affirmation Statement (June 9, 2019)

Charleswood Mennonite Church is rooted in the Anabaptist Mennonite tradition as a community of faith committed to becoming the body of Christ.

We welcome all persons to worship and participate with us. We acknowledge the image of God in every person including those of every gender identity and sexual orientation. We invite all to participate in our congregation's practices such as baptism, church membership, church leadership, and marriage. We lament the prejudice and discrimination found in society and in the church, and we commit to holding each other accountable to the teachings and example of Jesus Christ.

We celebrate and affirm all persons worshiping with us. Together we seek to be a pilgrim community of mission, service, hospitality, grace, healing, justice, peace, and love.
